MEDICINAL CANNABIS REFERENCE

Number	83
Name	Kevin Sammon
Date	22 June 2015

Dear Sir

I hope I am not bothering you with this email.

I can not be there for this event, But I would care to endorse your effort.

Both my daughter and very dear friend are battling cancer and would greatly benefit from Medical Cannabis Oil , from all that I have read.

But it is illegal in NSW and we are too late to enter trials.

Any steps to legalize the Oil, if only on prescription,that would help many people in a similar circumstances.

Yours Faithfully

Kevin Sammon
