<a href="#">George Hart</a>	[Redacted]	[Redacted]	<p>Your article on NBN I thought I would share my experience, you may consider as to why do people stalk? I live in Tweed Heads, NSW and had contact with a lady on a web site. We meet for a coffee, and after the meeting, she kept stalking e.g. followed to see where I lived, and contacted her friend to address where I lived. Her friend told me, she had regularly drove past to see if my car was at my place. However, I never contacted her after the meeting. Perhaps jealousy, perhaps to see who else I see? I will never know. Hopes this adds to your list of stalking.</p>	03/08/2021
